## U.C.M. TEAM WINS CHAMPIONSHIP

Hard-Fought Game Yesterday Afternoon Between Sister Medical Colleges.

THE SCORE IS TWICE TIED

Rooters in Great Form and Stirred Up Great Noise-Some Ludicrous Errors.

It was a close shave for the University College of Medicine yesterday afternoon the team winning the game against the Medical College of Virginla by only one run. The tally was made in the eighth inning, after the score had been twice tied and when Men-inning game was expected. The a fen-inning game was expected. The Medical College boys tried hard to the the score again in the eighth and minth innings, but Carper and his support was too strong a combination.

By this victory, the second in a series of three games with her sister college, the University College of Medicine is entitled to the championship of the city in the medice games.

Hard-Fought Game.

Hard-Fought Game.

About 500 students and friends witnessed the contest, and there was much hilarity and rooting as first one side and then the other went ahead. It was a bitter contest each team trying hard to wrest the laurels from the other. Many errors, some of them ladicrous, characterized the game, as the students had not had sufficient time in which to practice. Several times playurs became so excited over missing an easy chance that they scrambled around in the dirt after a ball in half a dozen futile attempts to pick it up, even when the sphere had found a quiet resting-place at the player's feet.

Clements, first-baseman for the Medical College—long, lean and lanky, six feet three without his socks—fur-nighed haif the fun for the excited crowd. Three strides carried him to first, and from there to second it was but a matter of a couple more strides and a little stretching. No batters came up behind him to put him on third, or he would easily have made a run. The University College gained a big

The University College gained a big start in the first inning, when three of their men crossed the plate on three of their men crossed the plate on three hits, one of which was a three-bagger by Wilson. Hoskins blanked them in the next two innings, and two more runs were scored in the fourth inning. The Medical College made their first run in the second inning, and got four more in the fourth inning, thus tying the score. The rooters for both sides went wild at this, and the noise was yorse than that which accompanied the fall of the Tower of Babel.

In the sixth inning the University College boys won two more runs, placing them two ahead. But the Medical College boys braced up in the seventh inning and tied the score again with two more runs. The score then fited 7 to 7, and by a mighty effort the University College boys made the winning run in their half of the eighth inning. Neither side scored thereafter, and the game went to the "new college team by the score of 8 to 7.

MILLER AGAIN AT WORK

Wins on Anna Smith, the Favorite in the Five-Furlong Scramble.

WASHINGTON, D. C., April 8 .- The most interesting event on the card of the Washington Jockey Club at Benning to-day was the handleap at seven and a half furlongs, which concluded the program. By the scratching of Oxford, Heasilp and Old Colony, the race was reduced to a three-horse affair. Faust, with Miller up, was a receding favorite, while Ormonde's Right, risden by McDaniel, was always in strong demand. Salior Boy broke first, and made the pace for half a mile. On the turn he was overhauled by the favorite and Ormonde's Right. In the stretch the latter came away and won by a length, in 1:37 1-5 Jockey Miller made his first appearance, after a week's enforced idleness, in the second race. His mount, Awiess, cut no figure in the result. Miller's only winning mount was Anna Smith, in the fourth. most interesting event on the card of

LYNCHBURG, VA., April 7.—Although the first team of the New York Americans defeated the local Virginia League team here this afternoon by the score of 3 to 0, the Yankees had to work hard to keep the locals from scoring.

The runs of the visitors did not come by batting, but hy a wild pitch, a batter hit, and two wild throws from third to first. The game was played in mud, and rain stopped it at the end of the fifth inning.

Last night's games were expected to have been final, but on account of the tie, six more games will have to be played. Three will be on the Williams Alleys and three on the Cooke Alleys, the former on April 15th, and the latter on April 19th.

Arrangements are in progress for a banquet to be given by the league on April 22d. The banquet, commemorating the best year in the history of the league, will be a very auspicious affair, and it will be attended by all the members of the various teams.
